

REMARKS

On March 9, 2005, applicants filed an Amendment wherein a Verification of Translation Declaration was provided to the Examiner in order to swear behind the Saito patent. It has come to the attention of the undersigned that the document attached to the Verification of Translation Declaration was a copy of Japanese Application No. 2003-029523 filed on February 6, 2003. The priority of this application was claimed. In addition, applicants claimed priority to Application No. 2002-060864 filed on March 6, 2002. The earlier filed application was to be attached to the Verification of Translation Declaration submitted to the Examiner. In order to correct the record, attached hereto is the Verification of Translation of Japanese Application No. 2002-060864 which is attached to an accurate English translation of this Japanese document. By filing the attached Verification of Translation, the applicants have overcome the Examiner's rejection based on the Saito patent.

Please contact the undersigned at (703) 205-8015 if you have any questions with regard to the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No.
